

Variando Villas

CONFERENCE VILLAS

When lights dim and something casual turns into a celebration, unforgettable memories are born

The modern and bright interiors create a cozy setting for meeting and recreation days, and ready-made packages make organizing events easy. The service can always be customized to exceed the wishes.

MEETING PACKAGES

Complete packages are an easy option for setting up a meeting, as all arrangements are taken care of. The price always includes applicable meals and snacks, and multi-day packages also include overnight stay between meeting days.

TRAINING SEMINARS

A day or two spent in training, or a shorter brunch seminar, can significantly improve work atmosphere and motivation, or increase sales power. Training also available on areas such as leadership, presentation skills and customer service.

CELEBRATIONS AND DINNERS

Beautiful premises, tasty food and a cozy atmosphere make a business dinner or private party memorable. The premises are also well suited for small wedding receptions and memorials.

MUSIC PROGRAMS

Music program service Variando Music provides a musician, band or whole orchestra on request. The program can contain classical, jazz, folk, entertainment and pop music. In Villa concerto there is a grand piano.

SAUNAS

Saunas and whirlpools are free for use by conference guests and by overnight guests. Sauna facilities can also be reserved for private use. In addition to an electric sauna, there is an infrared sauna in Kouvola. Hot outdoor tub is available by request in Lahti.

EXCURSIONS

In Lahti a golf course is at walking distance, and a rowing boat on nearby beach can be freely used.

MEALS

Meals are prepared and served by a local catering provider. Dietary restrictions and food preferences are taken into account if known in advance. Own alcoholic

Food preferences are taken into account if known in advance. Own alcoholic beverages allowed.
